

Lessons in Dementia

An educational series from the Humboldt Senior Resource Center's
Adult Day Health & Alzheimer's Services program

Managing Dementia-Related Behaviors

Presented by Kaitlyn Green, Alzheimer's Services Coordinator, Adult Day Health &
Alzheimer's Services

Monday, March 27, 2023 from 2:00 - 3:00 pm

Description

This presentation will highlight behaviors that are typically presented by individuals with dementia, provide recommendations on how to approach such behaviors and discuss resources that are available to aide the community.

About the speaker

Kaitlyn Green is the Alzheimer's Services Coordinator and Social Work Assistant for the Adult Day Health & Alzheimer's Services program at the Humboldt Senior Resource Center.

She holds a Master's in Sociology from Humboldt State University, where her research focused on how older adults viewed and described their aging experiences in Humboldt County. She has worked with the aging population for the last six years, providing care and connection to local resources.

She is passionate about helping individuals with dementia and their families to find the right resources to be able to stay as independent as possible and remain in their own homes and community.
